City of Kenmore Hires Consultant to Prepare Economic Development Strategy

Kenmore, Wash. – The City of Kenmore has hired Berk and Associates to prepare a five year Economic Development Strategy to guide activities and investments that promote economic vitality.

The project will get underway later this spring and will be completed early next year. At least one public workshop will be scheduled, and the consultants will also be working with an Advisory Group.

Berk and Associates has a strong track record of working with cities on economic development plans, including Woodinville, University Place and Snohomish. They have also provided fiscal analysis of the Kenmore Village development project for the City of Kenmore, and recently completed a report on infrastructure funding programs for the Governor's Office of Financial Management.

For more information contact Assistant City Manager Nancy Ousley at 425.398.8900 or nousley@ci.kenmore.wa.us.
